OBJECTIVE

Enthusiastic student that has excelled in their college career with a High GPA, and is looking to learn more about the field of Information Technology and find employment.

EDUCATION

Kean University Union, NJ
B.S. Information Technology
G.P.A: 3.99
Start Date: September 2021
Expected Graduation Date: May 2025
Presidential Scholarship

EXPERIENCE

Student Technician

JUNE 2023 - PRESENT

Worked as a student technician for Kean IT at Kean University's Union Campus. Tasks included troubleshooting various issues, connecting users to printers, installing software, setting up computers, replacing hard drives, transferring data, imaging computers, and moving equipment.

Project Manager

FALL 2022

Managed and worked on a final group project as a project manager for Tech 1010. Tasks involved assigning roles, communicating between members, creating a progress report each week, working on the project, assisting and directing members of the team when needed, submitting the final project and participating in the class presentation.

Leadership club at Hands of Life Martial Arts

September 2015- April 2016

The club helped me learn to be a leader by working with and instructing younger students as they learned and developed their skills.

RESEARCH

GE 2024 | KEAN UNIVERSITY

FALL 2022

Conducted a quantitative research study on the impact technology has had on Generation X and Generation Z.

VOLUNTEER

GENDERMAG | KEAN UNIVERSITY

FALL 2022 & SPRING 2023

Participated in the GenderMag research study in CPS 1231 and CPS 2231.

Participated in blankets of love

Nov 2017

Participation at Cranford High School. This program donated 140 blankets to cancer patients.
